PRODUCT DESCRIPTION

The SAPslim Cubicle System is our newest entry-level cubicle/divider product line. This versatile cubicle divider panel system was designed with affordability and practicality in mind. Its lightweight and modular construction makes it easy to assemble quickly in nearly any work environment.

Pictured here is a single cubicle workstation setup. 65" tall and just over 5' wide, this workstation features our Sea Salt laminate panels with a White laminate worksurface. Underneath the desk surface is a lockable 3-drawer (B/B/F) pedestal cabinet which can be placed on either side.

Nearly any part of the configuration you see pictured here can be added to, modified, or re-imagined.

The Sea Salt laminate can be exchanged with multiple colored fabric surfaces, frosted polycarbonate, or transparent acrylic. There are dozen of modifications or enhancements you can make before you order, just give a call and tell us what you're looking to accomplish.

The SAPslim Cubicle System is a companion product line with the Sapphire Cubicle System. As both cubicle systems are designed to be interchangeable, you can create truly unique workspaces which reflect and express what your business and brand are all about.

Let SKUTCHI Designs Inc. answer any questions you may have before you order. We can help with your office design needs today.
