PRODUCT DESCRIPTION

Why Buy Our Hospital Room Divider or Patient Privacy Walls?

Are you looking for a hospital room divider or patient privacy walls? The [Sapphire Cubicle System](#) is our premier cubicle workstation product line. This modular, commercial-grade divider wall typical is both versatile and durable. Its lightweight construction makes it a practical investment for any healthcare provider practice or hospital.

Because of its scalability and design, any number of hospital room divider can be made. Also, this

hospital room divider features a variety of choices for the panels (multi-colored fabrics, non-porous laminates, and tempered glass) and offers panels reaching 39", 52", and 65" in height. And don't forget, this cubicle system also offers electrical cord/data networking cable conduits along the base of each panel to hide cable clutter.

What Comes With This Product?

The hospital room divider pictured on this page consists of our **Sapphire Cubicle System** divider panels (shown in our stock White laminate). However, you can change the colors of the panels, the overall dimensions of the wall, and the height if you'd like. Quick shipped for a fast turnaround time and delivery.

Because of its lightweight aluminum framework and durable modular panels, assembly of these walls are a snap. They can easily be assembled in just a few short hours.

What Else?

Finally, it's important you have a clear understanding of all options, accessories, and preferences. For this reason, we suggest you contact *SKUTCHI Designs Inc.* today. Whatever questions you have, we can answer. Our goal is to make ordering your customer service cubicle as easy as possible.
