PRODUCT DESCRIPTION

With its lightweight, modular construction, the **SAPslim Cubicle System** is our latest, entry-level cubicle/divider product line. This cubicle divider panel system was designed with affordability and practicality in mind and requires minimal assembly, making it ideal for nearly any size business.

Pictured here is a simple L-Shaped, 2-person cubicle divider workstation. Each side has a single corrugated frosted polycarbonate panel with a Sea Salt laminated panel separating the two work surfaces. You can keep the work surfaces, or upgrade to two of our [Quantum Sit-to-Stand](#) motorized desks. This is a simple and inexpensive set-up with gives plenty of privacy to the occupants, all while providing a safe level of physical separation between employees.

Nearly any part of the configuration you see pictured here can be added to, modified, or re-imagined. The frosted polycarbonate can be exchanged with multiple fabric surfaces, the sit-to-stand desk can be substituted with a non-motorized worksurface area. Just let us know what you're looking for and we'll put it together for you.
