

KIDS ACTIVITY TABLE | HALF-MOON | PLASTIC | HEIGHT ADJUSTABLE**\$216.68**

This Plastic Activity Table is a must have for daycare, preschool and early childhood development centers. It will accommodate children up to age 7. The durable table has a 220 pound static load capacity and features a 35" x 65" half-moon shaped top with rounded corners for safety and a welded, steel frame for increased stability. Adjustable height legs give you the flexibility to raise or lower the table a full 9 inches in 1 inch increments. Floor glides protect your floor by sliding smoothly when you need to move the table. Perfect for craft time, snack time and party time, this easy to clean table set is just the right size for small children. [YU-YCX-004-2-MOON-TBL-RED-GG]
