PRODUCT DESCRIPTION

Why Buy Our Divider Wall Value Pack?

The **Sapphire Wall System** offers this divider wall value pack which can be built to a variety of shapes, sizes, and panel colors. This highly versatile panel system--with heights ranging over 7', 8' or 9'ft--is completely freestanding with no permanent attachments to your floor or ceiling.

In other words, our divider wall value pack are fully demountable. It usually takes less than a day to assemble (depending on the size of the project).

You can also customize the panels of our office dividers with doors in a variety of ways; choose all glass or mix in laminates and fabric panels. We offer multiple color fabric and laminate options. The **Sapphire Wall System** is a beautiful, modular wall alternative to traditional drywall construction--which can take weeks of construction and downtime.

What Comes With This Product?

The **Sapphire Wall System** pictured here is a four-person divider wall value pack configuration paneled in white laminate and featuring tempered glass "caps" on the top. This arrangement of the **Sapphire Wall System** creates individual spaces 9' wide, 9' in depth, and 8' in height. Also, each cubicle features a sliding acrylic door. In addition, you can upgrade to a traditional swing door with a lock if you prefer. In fact, you can make all kinds of alterations to our wall system. We have several fabric colors and laminates from which to choose.

What Else?

The divider wall value pack of our **Sapphire Wall System** are fully compatible with any items available in our **Sapphire Cubicle System**, which includes workstations, furniture, and accessories such as file storage, shelving, overhead storage, desks, chairs, and padded benches, paper racks, and accessory rails.
