PRODUCT DESCRIPTION

Why Buy Our Modular Conference Room & Executive Office?

The **Sapphire Wall System** offers modular conference rooms & executive offices which can be built to a variety of shapes, sizes, and panel colors. This highly versatile panel system--with heights ranging over 7', 8' or 9'ft--is completely freestanding with no permanent attachments to your floor or ceiling.

In other words, our modular conference rooms & executive offices are a breeze to set up or take down. It usually takes less than a day to assemble (depending on the size of the project).

You can also customize our modular conference rooms & executive offices in a variety of ways; choose all glass or mix in laminates and fabric panels. The base of each panel features inline data and electrical "raceways" to manage cord and cables. The **Sapphire Wall System** is a beautiful, modular wall alternative to traditional drywall construction--which can take weeks of construction and downtime.

What Comes With This Product?

Pictured is a modular conference room with an attached executive office. The overall dimensions are 15'4"D x 24'5"W and stands ~9 feet high. The panels are a mixture of White laminates and tempered glass panels. The office portion is equipped with two filing cabinets with overhead storage bins and accessory shelf.

Also, you can order this configuration as pictured, or choose from over a dozen different colored fabrics for the panels. Additionally, there are several different laminates to choose from as well.

What Else?

The modular conference room with an executive office is made with our **Sapphire Wall System**. are fully compatible with any items available in our [Sapphire Cubicle System](#), which includes workstations, furniture, and accessories such as file storage, shelving, overhead storage, desks, chairs, and padded benches, paper racks, and accessory rails.
