PRODUCT DESCRIPTION

Why Buy Our Office Partition Panels?

The **Sapphire Wall System** offers office partition panels which can be built to a variety of shapes, sizes, and panel colors. This highly versatile panel system--with heights ranging over 7', 8' or 9'ft--is completely freestanding. No permanent attachments to your floor or ceiling.

In other words, our office partition panels are a breeze to set up or take down. It usually takes less than a day to assemble (depending on the size of the project).

You can also customize our office partition panels in a variety of ways; choose all glass or mix in laminates and fabric panels. The base of each panel features inline data and electrical "raceways" to manage cord and cables. The **Sapphire Wall System** is a beautiful, modular wall alternative to traditional drywall construction.

What Comes With This Product?

The image shown above is a three cubicle set-up with the dimensions 21'7" W x 12'3" D x 108" H. Each workspace is equipped with a swing door. However, if you'd prefer to change the door, a sliding door can easily replace them. The sleek White laminate, Sage & Silver fabric, and tempered glass toppers make up the panels on the walls which stands 9 feet tall.

Don't forget, however, we offer several different fabric and laminate options to choose from.

What Else?

The demountable glass partitions made with our **Sapphire Wall System** are fully compatible with any items available in our **Sapphire Cubicle System**, which includes workstations, furniture, and accessories such as file storage, shelving, overhead storage, desks, chairs, and padded benches, paper racks, and accessory rails.
