PRODUCT DESCRIPTION

The **SAPslim Cubicle System** is our newest, entry-level cubicle/divider product line. This versatile cubicle divider panel system was designed with affordability and practicality in mind. Its lightweight, modular construction makes it easy to quickly assemble in any work environment.

This typical is made up of SAPslim frosted polycarbonate panels and Sapphire Cubicle System panels consisting of White laminate, Sage fabric and Charcoal fabric. This typical also features Sea Salt laminate worksurfaces.

Nearly any part of the configuration you see pictured here can be added to, modified, or re-imagined.
