Why Buy Our 4-Person Back-to-Back Workstation ?

Are you looking for 4-person back-to-back workstations? The [Sapphire Cubicle System](#) is our premier cubicle workstation product line. This commercial-grade cubicle system is both scalable and durable. Its lightweight construction makes it a sound investment for any office or work environment.

Because of its modular design, any number of 4-person back-to-back workstations can be made. Also, this cubicle system features a variety of choices for the panels (multi-colored fabrics, patterned laminates, and tempered glass) and offers panels reaching 39", 52", and 65" in height. And don't forget, this cubicle system also offers electrical cord/data networking cable conduits along the base of each panel to hide cable clutter.
