## **PRODUCT DESCRIPTION**

**SKUTCHI Designs** specializes in creating the best storage and locking mobile file cabinet on the commercial office furniture market.

This latest B/B/F file cabinet offers a host of features. For instance, it boasts lightweight, yet extremely durable metal construction. It features a detachable cushioned top and non-porous metallic surfaces which makes dusting, cleaning, and disinfecting a breeze.

The custom key and lock mechanism secures both the top and bottom drawer. The file drawer can accommodate either letter or legal size folders. Also, mounted to the bottom of this mobile storage pedestal cabinet, are locking caster wheels.
