PRODUCT DESCRIPTION

The [Harmony Conference Table Series](#) offers this 12-person rectangular conference table. It measures approximately 12' in length, 4' in width, and the thickness of the tabletop is 1". It can comfortably seat up to 12 people depending upon the chairs you pick (chairs pictured in the rendering on this page are not included).

Our **Harmony Series** features modern conference tables designed to look sleek and stylish for any boardroom or meeting room. Because our conference tables are commercial-grade and constructed from eco-friendly materials, they make them one of our top-selling products. You can choose from various options such as shape, size, bases, laminates, and data/electric modules.

Modular Design & Durable Construction

Harmony Conference Series gives classic shapes a modern twist, combining creativity and class with durable construction which fits virtually any modern office environment. Because it's designed with scalability in mind, its modular construction allows you to easily enhance or reduce the size of the table.

Pictured on this page is a 12-person rectangular conference table quickship typical. It features a standard rectangular shaped tabletop, silver or matte black post legs, and your choice of laminate. You can add a USB/Electrical module to any table over 4' in overall length. The price on the page includes shipping. Also, you can call with any questions prior to ordering online. We'd be happy to assist you.
