PRODUCT DESCRIPTION

PRACTICAL SOLUTIONS FOR THE MODERN BUSINESS DESK

The **Indigo Desk Series** by *SKUTCHI Designs Inc.* gives you multiple appearance options for your office desk. Designed to work with nearly all of our cubicle and workstation product lines, the **Indigo Desk Series** offers multiple options for laminates, shapes, and bases which can accommodate the look and feel of nearly any workspace.

Starting with your choice of the desk's base. You may want to go with a traditional C-leg configuration or choose a more stylish "box" leg look. Bases are available in either charcoal gray or silver finishes and bring the desk height (with worksurface) to 30" high. Modesty panels are available in perforated metal for our C-legs bases or beautifully crafted, silver modesty brackets to accessorize the frosted acrylics with our box leg configuration.

Our laminated worksurfaces are non-porous and easy to clean and disinfect. Choose from 10 different laminate surface patterns: from solid whites and grays to several simulated wood grains.

These desks can come with a standard rectangular desktop or enhance and maximize your workspace with our L-shaped configuration.

You can order these desks direct from this website or consider speaking with one of our professional office space project planners. We can help you maximize your purchasing dollars with our decades of experience.

Worksurface Laminate Options for the Indigo Desk Series

We also offer several patterns for our laminate selections; from solid whites and grays, to a variety of simulated woodgrain finishes. Our laminates can be used on either the rectangular or L-shaped desks.. If you're looking for a pattern not pictured here, contact *SKUTCHI Designs Inc.*® for alternative options. All laminates pictured here are subject to availability, please contact us for our current selection and inventory.
