Why Buy Our Dual Glass Office Cubicles?

The **Sapphire Wall System** features dual glass office cubicles with locking doors, built to a variety of shapes, sizes, and panel colors. This highly versatile panel system--with heights ranging over 7', 8' or 9'ft--is completely freestanding with no permanent attachments to your floor or ceiling.

In other words, our dual glass office cubicles are a breeze to set up or take down. It usually takes less than a day to assemble (depending on the size of the project).

You can also customize our dual glass office cubicles in a variety of ways. Choose all glass panes or mix in multi-colored laminates and fabric panels. The base of each panel features inline data and electrical "raceways" to manage cord and cables. The **Sapphire Wall System** is a beautiful, modular wall alternative to traditional drywall construction--which can take weeks of construction and downtime.

What Comes With This Product?

Another extremely popular arrangement of the **Sapphire Wall System** creates two dual glass office cubicles, each 7' x 7' x 84". Each workspace features a front-facing wall comprised of tempered glass panels with lockable swing door. Also, this arrangement is freestanding and requires no attachment to the floor, ceiling, or wall. The side walls feature durable, all White laminate panels.

Don't forget, the **Sapphire Wall System** offers dozens of fabric and laminate colors and patterns from which to choose. With this in mind, you can create your modular office walls to match your corporate brand or existing office motif.

What Else?

Finally, the modular office walls made with our **Sapphire Wall System** are fully compatible with any items available in our [Sapphire Cubicle System](#), which includes workstations, furniture, and accessories such as file storage, shelving, overhead storage, desks, chairs, and padded benches, paper racks, and accessory rails.
